- Plan for improving four-year cohort graduation by 3% each year until reaching and maintaining 90% or greater.
- Plan for improving 9th grade on-track rates by 3% each year until reaching and maintaining 90% or greater.

B. Non-academic Performance Objectives

Using a measured scale for this question (For example: highly satisfied, satisfied, fairly satisfied, and not satisfied), the survey results will have a goal showing that at least 90% of the parents consider their overall satisfaction or the education their child receives at ECS to be either the highest or second highest rating.
- ECS will work towards increasing their Regular Attenders rate by 5% annually until they reach and sustain a Regular Attenders rate of 90% or greater. Regular Attenders are defined as students who attend school 90% of the time or more. Strategies to attain this goal will be outlined in the SIP, including timelines and ways to measure progress.

2. If requested, ECS will give a SIP progress update with metrics and present it to the District Board in the spring.

3. Methodology for Reporting Growth

Throughout the term of this Agreement and after the annual evaluation by the District the parties will continue to work together to improve the methodology for analyzing and reporting achievement growth. At least once each school year, parties will meet to discuss instruction and/or student performance. The District may request information from ECS prior to the annual evaluation.
