

# **Executive Summary**

## **Prepared for Board of Trustees Meeting**

### **August 25, 2009**

## **Annual Health Services/SHAC Report**

---

**Board Goal:** Required Report for School Health Services and SHAC

### **Purpose of Report**

To provide information to the board of the activities of the health services department and the state mandated School Health Advisory Committee (SHAC)

### **Objectives**

- Correlate the health services department activities during the last school year to the 08-09 Board Goals
- Meet the state requirements for board reports and recommendations from the SHAC

### **Operational Impact**

None - No additional funds are being requested

### **Results**

Heightened awareness of the board regarding the many programs that contribute to student and employee health and wellness and their impact on student success as it relates to the health services department and an opportunity to ask questions or for clarification of the described activities

### **Other Options**

Recommendations of the SHAC members for approval
