Monthly Report for November 2019  
Rocky Boy Head Start/Early Head Start  
Duane Gopher, Director

-----  
The following are highlights for the month of November 2019

- We had a site visit from the State MPDG Program on November 5<sup>th</sup> and 6, 2019. Both Jennifer Darlington and Tennielle Miller appeared and met with Headstart (4-5) year old staff. The focus was 'readiness' for Headstart children transitioning into Kindergarten. There are many issues that will need to be addressed on this topic.
- Attended Parent Policy Council meeting on Tuesday, November 19, 2019. The main focus of the meeting was to hire new Personnel for EHS and HS. Two individuals were selected by PPC for hire at the school board meeting on the same day. They were hired but none of them showed for work. One tested positive for substance abuse while the other never showed.
- Also Important about the Parent Policy Council meeting was that the EHS requested a Budget Modification, which they approved.
- Rocky Boy Head Start also requested permission from the CCT Business Committee for approval to do the Budget Modification. This was approved on Monday, November 25, 2019. Minutes were forwarded to the Director the first part of December, which was after the Thanksgiving Break.

-This concludes my monthly report for December 2019.
