

# Action Sheet

**MEETING DATE:**

**August 4, 2021**

**AGENDA ITEM:**

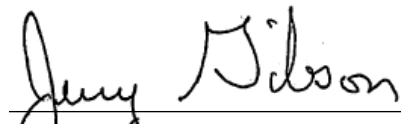

Discuss and consider purchasing Learning A-Z, which includes additional licenses along with a twelve-month contract starting 10/1/2021 with no additional years, not to exceed \$55,000.00 annually.

Learning A-Z is a comprehensive software designed to engage and expand literacy learning for our kindergarten through 4<sup>th</sup> grade elementary students. The software houses 3 separate programs and resources for classroom and student use. Reading A-Z is a program designed to differentiate student reading in and outside of the classroom. Raz-Kids is a reading and writing resource combined with interactive tools and response quiz questions. Vocabulary A-Z helps our students build vocabulary, spelling, and phonics skills while also focusing on reading comprehension.

The district is looking to increase the number of licenses due to the increase in instructional and support staff at the elementary schools. Learning A-Z will also be using ESSER funds instead of IMA due to the decrease in state funding in our IMA budget.

**RECOMMENDATION:**

**I move that the Board of Trustees approve the purchase of additional licenses and a 12-month contract with Learning A-Z, not to exceed \$55,000.00 annually.**
