## Board Report

March 2025

- Interviews have been conducted to fill vacant special education teacher and speech language pathologist positions. While some decisions are being finalized, a few of the positions are being recommended to be filled at this March board meeting.
- Student assessment accommodations continued to be reviewed and submitted to the Illinois Administration Platform in preparation for all spring assessments: Illinois Assessment of Readiness and Illinois Science Assessment (Grades 3-8). These accommodations are discussed at all students' IEP and 504 meetings throughout the year.
- Continued planning is being done for the Pre-Kindergarten Screenings on March 20, 21st and June 11th, and 12th. We are hopeful to screen approximately 90 children. Parents may sign up online by visiting Zahnow's website and clicking the Pre-Kindergarten Screenings icon.
