RE: Board Appreciation

BACKGROUND

Each year, we take time in November to recognize and thank our Board of Education for their hard work and dedication to Benjamin School District 25. Our Board members volunteer countless hours to make thoughtful decisions that support our students, staff, and community.

SUMMARY

As part of the Benjamin tradition, Benjamin Middle School and Evergreen Elementary School work together each year to create a student-made gift as a token of our appreciation. These projects serve as a meaningful reminder of the impact our Board's service has on the students and families they represent.

We are grateful for their dedication and continued support of the Benjamin community.

RECOMMENDATION

We recommend that the Board accept these tokens of appreciation.
