

## Head Start Board Report February 2025

### **Enrollment and Attendance**

Head Start's average daily attendance was 76%. Early Head Start's average daily attendance was 62%. We have one opening in Head Start and we're actively looking to fill it. We have begun re-enrollment with Head Start families for the 2025-26 school year.

### **Education & School Readiness**

Staff is continually assessing classroom needs.

### **COR/CLASS Report**

Teachers continue to enter COR.

### **Mental Health**

Mental health referrals and resources were given to all families with need.

### **Disabilities**

EHS is serving one student with a diagnosed disability and HS is serving four students. Services are being provided for students with need. Mid-year DECA's have been sent to families.

### **Nutrition**

Lake Orion Community Schools Food Service is providing meals. Nutrition policies and procedures adhered to. The Head Start contracted nutritionist came and did file reviews and growth referrals.

### **Family & Community Engagement**

We had the youth librarian from the Lake Orion Public Library out for her monthly reading time with all classes.

### **Program Governance**

The program is following Head Start policies.

### **Health**

The program continues to maintain all child health requirements.

### **Budget/Grant/Contract**

The program is working with Finance on funding and budget requirements. We are working with OLHSA regarding any grant needs.

### **Credit Card Purchases**

The credit card was charged a total of \$166.15.
