RE: Resignation

To Whom It May Concern:

Please except this letter as my formal letter of resignation from the Browning Public School District #9 Transportation Department, effective immediately. I want to say thank you for the opportunity that you have given me the last 11 years. I enjoyed driving the children to and from school each day. I enjoyed the learning experience that the children taught me. I believe I came away with a better understanding of children with special needs. I enjoyed working with my co-workers.

I am resigning due to unforeseen circumstances resulting from the death of my son. I just want to say thank you so much for the opportunity and understanding.

Sincerely,

Jaton Bullshoe
