TMS Board Report

1. Back To School:
 - Our Middle School Open House had an excellent turnout. The only issue was with long lines for student pictures.
2. In-Service:
 - I had an opportunity to get together with all of our collaborative teams during this time. It was a great opportunity to gain some insight and was beneficial in the goal setting process.
 - During our first staff meeting we discussed increasing the number of stories we share via social media. I will also continue to put out a monthly newsletter on the website.
3. The Renaissance team did a great job planning and running our back to school assemblies. They had an excellent program in the morning to welcome the incoming 6th graders and another at the end of the day.
4. PBIS Hatchet Cash Donations – Each month our students have the opportunity to earn “Hatchet Cash” by demonstrating positive behaviors. That cash can be deposited in their choice of two charitable donation jars. This month will be Coats for Kids, or gas cards for Hurricane Harvey relief.
5. The 6th grade teachers will be hosting a tech-night for parents and students on September 12th, where they will demonstrate and explain the digital curriculum used in their classes. The teachers will also spend some time discussing how Chromebooks are used and attempt to answer any questions parents might have.
6. TMS fall sports are in full swing. The following link will take you to this month’s activity calendar: http://www.greatnorthernconference.org/g5-bin/client.cgi?cwellOnly=1&G5statusflag=view&schoolname=&school_id=147&G5button=13&G5genie=141&vw_schoolyear=1&vw_agl=25-1-6295,268-2-308,268-2-309,274-3-308,274-3-309,

Respectfully Submitted,

Wendell Quesinberry
