Topic: High School Start & Stop Times
Presenter(s): Joshua Fuchs, High School Principal
Patrick Beierman, Twin Bluff Principal

Nature of Action Requested

Board Action
Board Information or Report

Background Information

Currently there is a ten-minute supervision gap related to bussing, where the high school students are often arriving by 3:30 and middle school staff are still with their own students unable to come out and help supervise. High School staff have made efforts since the problem was identified, but due to our own staffing needs and meetings we have not been able to have a 100% coverage of sending someone down to assist with the supervision. The proposal between the two building principals is to close the gap.

Recommendation

Any required motion will be determined at the meeting.
