AGENDA ITEM: 2025-2026 School Bus Routes

PURPOSE: Approve/Deny School Bus Routes for the upcoming school year.

MEETING DATE: 7/16/2025

PREPARED BY: Jessica Dehnert

INFORMATIONAL SUMMARY:

2025-2026 School Year: To and From School Bus Routes, Previous and New Non-Transportation Zones & Safety Busing Stops. We absorbed 5 school bus routes by avoiding numerous side roads, creating new non-transportation zones, and increasing the walk zone score. This means that several areas that had busing last school year will now need to walk. Those areas are the north end of Spirit Lake off of Van Buren for TMS & THS. The Thayer Farms neighborhood off of Lancaster for BKE. The neighborhood around Betty Kiefer Elementary and the north side of the Radiant Lake neighborhood for LMS & LHS. All of Spirit Lake for SLE.

RECOMMENDATION:

My recommendation is to approve all routes to and from school, including both previous and new non-transportation zones, as well as safety busing stops, as presented.
