Approval for Purchase of Istation License

Istation is used in grades K-8 for beginning of the year, middle of the year, and end of the year screening. The program is also used for Response to Intervention purposes and gives monthly reports on learner progress.

Although the state pays for grades 3-5, the district must purchase the license for PK-2 and 6-8. For two campuses, the district also pays for the Spanish version.

The itemized costs are:

| | |
|--|--------------------|
| • TX-Istation Grades 6-8 (Reading, Math, and Home Use) at 3 campuses | \$ 2,850.00 |
| • PK-2 Istation (Reading and Home Use – English and Spanish) at 2 campuses | \$ 14,200.00 |
| • PK-2 Istation (Reading and Home Use – English) at 8 campuses | \$ 34,400.00 |
| • Professional Development Onsite | <u>\$ 5,000.00</u> |
| Total Cost | \$56,450.00 |

Since the purchase is over \$50,000, Board approval is required for this expenditure.
