**Staff Development (September 1, 2011 to September 12, 2011)**

**Principal's General Narrative:**

Students have been working in classes, teaching staff has been very busy, coaches and cheerleading sponsors have been getting students ready for various athletic contests, the junior high band program is increasing in numbers, and the custodial and maintenance staffs have been busy keeping things in good shape.

Junior High students did a great job of presenting the dress code rules to the Junior High in the form of a skit on Thursday, September 1. Volleyball girls have been improving their skills in preparation for their games in D'Hanis on September 8, the football players are ready to show the team from Sabinal what football is about Thursday night here at home on September 8, and the cross-country athletes have been preparing for their meet in Eagle Pass on September 10.

Your endeavors to make our school a better place for students, teachers, and all staff are greatly appreciated.

Respectfully submitted,

George T. "Stoney" Burks
