DRAFT

Mission Statement

. . . in pursuit of excellence . . .

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

I. Vision ... In pursuit of excellence, the district will:

- remain committed to providing equitable and outstanding opportunities for every student on every campus through out the district
- develop a culture where learning is our first priority
- establish goals for individual campuses and incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning

II. Teaching & Learning... In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum that supports all students
- develop quality staff development programs to promote professional learning communities
- expect full implementation on each campus by instructional leaders
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates

III. Climate... In pursuit of excellence, the district will:

- promote and nourish a learning and working environment in a culture which is supportive, cooperative, friendly and ensures open communication.
- establish a high expectation level for success for all students, staff, parents, and community
- create in students a love of life-long learning

- motivate and prepare students to embrace their full responsibilities as active citizens of their community, nation and world

IV. Parent and Community Involvement...In pursuit of excellence, the district will:

- encourage parent and community participation to achieve success for all our students
- work continuously with the community in planning and facility development and utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health and wellness for students and families

V. Human Resources...In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance for all staff
- recruit, select and employ every teacher in every classroom because of their substantive experience in the discipline they are teaching, rather than in auxiliary functions
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in the workforce

VI. Growth & Change...In pursuit of excellence, the district will:

- review and adjust policies and procedures effectively to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools and our community
- work continuously with our community to adjust and enhance district goals as appropriate
