SUBJECT: Summer Alternates

DATE: May 8, 2018

There were several summer alternates considered at the FAC meeting. The alternates were at Hatch, Irving and Julian. FAC recommended that the District proceed with the Irving roof, the Lincoln courtyard door, and Hatch room 112 projects during the summer. FAC also recommend that the District defer the Julian science room and the Hatch room 206 projects.

The information was reviewed by FAC and the administration agrees with the FAC recommendation.
