## News from Mr. Regal

**Welcome back Evergreen Students, Staff, and Parents,**

Hopefully everyone had a Wonderful Winter Holiday enjoying some quality time with your family and friends.

As the New Year kicks off, I just want to remind parents that good attendance is a key component to academic success. All grade levels will continue to focus on individual student growth in reading, math, and writing. In order to make sure our students are ready to learn; please support learning at Evergreen Elementary by continuing to have your child/children eat well, maintain regular attendance, and get adequate sleep during the week. Parents please continue to support your child by communicating with your teacher on a regular basis about their behavior and academic growth.

**This is just a reminder to all parents, guardians, and/or visitors of Evergreen students, that if you visit our campus, we need you to stop by the front office, sign in, and get a visitor's badge to be worn for the entirety of your visit. Thanks for your support in this matter.**

Have a great 2016 year!!!!!!!

# BEAR Project

Educational Foundation**  
*Promoting intercultural understanding and excellence in education.*

## The BEAR (Building Early Academic Readiness) Kicks Off at Evergreen!

In partnership with Omega Chapter of The Delta Kappa Gamma Society International and Evergreen Elementary, The Delta Kappa Gamma Educational Foundation and the Oregon State DKG Organization, bring the BEAR Program to Evergreen Elementary! The BEAR Program was designed to promote family literacy through book donations and literacy support to students and their families who have just welcomed a new-born brother or sister into the family or those that have a sibling under 18 months of age. When a new child is born in the family, the student sibling(s) is/are acknowledged in an all school assembly, takes a pledge of literacy with the principal and/or the BEAR Program leaders, and receives a special backpack to take home. The backpack includes books, a letter from the principal to the new family about the importance of reading aloud, tips and guidance on how to promote family reading time, a reading log, and a stuffed bear for the baby.

On December 4<sup>th</sup>, Evergreen Elementary kicked off its BEAR Program. Program leaders, Mrs. Campbell, Title 1 Coordinator/Omega Chapter President, Mrs. Gragg, 3<sup>rd</sup> grade teacher/Omega Chapter Member, and Ellen Ellis, Omega Chapter Literacy Committee honored 19 families including 25 students. Evergreen is off to a great start as these students and families promote literacy activities in their homes! To learn more about this program or to donate books, please contact Mrs. Campbell or Mrs. Gragg @ 541-592-3136.

## Evergreen Science Fair

We are excited to announce that the Evergreen Science Fair will take place in February. Lots of students have been talking about their project ideas, and we are available to help. This year's organizers are Mr. Flaherty, Ms. Clements, and Mr. Nelson. Manuals, display boards, colored paper, and other resources are available. Projects are due at school on February 22 or 23. The judging will take place on February 24 & 25. A public viewing of all entries will be available on Friday, February 26 at Evergreen. Some students may even qualify for the Three Rivers School District Science Fair that will be held on March 9-11 at the district office in Murphy. There is still time to complete an amazing project. Please stop by the school and ask for more details.

## PTO Annual Penny Drive

The PTO Annual Penny Drive will run the month of February. Dates, goals and other important information will be put out soon; in the mean time start filling those penny banks and be prepared to send them with your student in February.

## Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
