ITEM

SUBJECT: Consider approval the Southern Bleacher Buy Board Contract #423-13 proposal in the amount of \$331,500.00.

RATIONALE:

Per discussion during the recent budget/facility workshop, the administration is bringing forth the project to renovate the home side of Newton Stadium. Per our discussion, the project will remove all existing seating, install new seating on the existing structure, add 30'-0" x 24 rows to the south end and 84'-0" x 24 rows to the north end. Additionally, the project will provide for a continuous grandstand with full ADA compliance along with addressing all of the egress and railing issues on the existing bleachers.

Additional costs associated with the project that are not included in this proposal are:

- Any taxes, bonds, permits, fees, licenses, etc.
- Any concrete demolition, site work or concrete grandstand repair.
- Any utility location or relocation.
- Any allowances or work not specifically described within the attached proposal.

RECOMMENDATION:

I recommend the board approve the Southern Bleacher Buy Board Contract #423-13 proposal in the amount of \$331,500.00 and amend the budget accordingly.
