

March

Greetings Evergreen Families,

Dear Evergreen Families,
I wanted to use this month's newsletter to say "thank you" to so many people. First off, this first week of March is Classified Appreciation Week. Our classified staff are the most hard working individuals, with flexible attitudes, who work endlessly to make sure your child is supported. Please make sure to say thank you to these individuals this week. They cover crosswalks in inclement weather, they arrive early to make meals, they clean up their spills, take endless calls for end of day changes, manage meds, and work directly with them in classrooms offering smiles, grace, and redos. A thank you to our teachers, who spend countless hours outside the classroom to prepare lessons for your students. I know how much time they spend looking over data in order to support your child's specific needs. Finally, I would like to thank our families who have been volunteering in classrooms, getting our students to schools, and have been gracious without complaining when asked to return to the office to check in (yes, that is a thing-check in at the office when on campus even in the morning).

The Illinois Valley is an incredible place made up of the individuals above, along with community members who continually give back. I am so blessed to be a principal in such an amazing community, THANK YOU! May March bring many blessings to your household.
Sincerely, Jenny Mohr

READ_A_THON IS IN FULL SWING, Please share and view our readers on facebook and social media
