IMESD District Board Talking Points

August 2014

I hope you had a wonderful summer break. August always brings a sense of excitement as we prepare for the coming year...

July 28-29 Executive Summit IMESD hosted the sixth annual summit, which was a tremendous success. Over 50 regional administrators attended the two day-event, which featured presentations from Oregon's Chief Education Officer, Nancy Golden, Oregon's Deputy Superintendent of Public Instruction, Rob Saxton, and Dani Ledezma, Governor Kitzhaber's Education Advisor. In addition, presentations on STEM, Eastern Promise, and the Blue Mountain Early Learning HUB were featured. In summary, the event provided our leaders with current information on education reform to jump start their year.

Mark S. Mulvihill, Ed.D.
