## Request for Extended Travel

(this request form required for travel outside of the 200-mile radius)

Name: Heather Bailey, Elizabeth Taylor, Jennifer Bentley

Date: 8/18/14

Dept./Building: Russell Elementary School

**Purpose:**

The purpose of the conference is to gain more expertise in the area of Response to Instruction. Since the RTI support team is new to Russell as well as Parkrose the timing of this conference is ideal in creating systems as well as building a strong core group to create a plan to meet the unique needs of every student at Russell both academically as well as behaviorally.

**District Benefit:**

The benefit to the district is that this conference will support the strong district direction in Response to Instruction. We will be working with teams from around the country and will gain valuable insight into practices that are taking place and leading to success. Also, we will look specifically at how to implement a math RTI program that will be valuable to the district as a whole. All information will be shared out district-wide.
