Love Institute School Contract Proposal

Speech & Language Therapy Service Provider

Love Institute, LLC would like to be considered as a speech and language therapy pathologist provider for your school district. Our experienced, highly trained therapist has the following key qualifications:

- More than ten years of clinical experience in treating a variety of disorders and disabilities including articulation, auditory processing disorders as well as dysphasia, language based, and literacy.

- Comfortable working with students that have autism as well as behavioral and emotional disorders,
- Knowledgeable about treatment methods for clients ranging in age from birth to adulthood,
- Familiar with school settings from career experience with the Chicago Public Schools as a speech therapist and a substitute teacher, and
- Certified by ASHA and the Illinois State Board of Education.

We feel that a pay rate of \$70.00 per hour (Speech - Language Pathologist) and \$60.00 (Speech - Language Pathology Assistant) is commensurate with the skills and credentials our therapist offers. Love Institute, LLC will be agreeable to the current pay schedule your school district follows. We ask that your school district consider our proposal. Love Institute will consider all requests and respond to all inquiries within one business day.

SLP - Denisha Campbell - SLP
 SLPA - J'Vohnne Rosario - SLPA

We offer buyout options:
 Base option - \$8,000 for each personnel

Below is a summary of the quality service and invaluable our speech language therapist will provide. Our provider will:

- Design a treatment plan that addresses the needs listed in the individual education program (IEP) for every student. This treatment plan will include measurable objectives and goals that will be included on the student's IEP,
- Make recommendations that will benefit the student's speech language development to the IEP team,
- Provide instructions to the student and the teacher that detail activities that should be continued in between therapy sessions,
- Be available to attend meetings and assist teachers with demonstrations as appropriate,
- Prepare and maintain professional records that will be included in the student's education records,
- Conform to all applicable policies and procedures of your school district including compliance with all check-in procedures for entering and exiting school premises, a background check, and requests for time sheets as well as completion of all required documentation, and
- Hold professional liability insurance.
