Subject: Career and Technical Education (CTE) Vehicles – Cooperative Contract(s)

Background Information:

- This recommendation is to procure a vehicle for Career and Technical Education (CTE) utilizing a Lewisville ISD-eligible cooperative contract.
- CTE is requesting approval to replace an existing aging fleet vehicle with a Chevrolet Suburban. The Chevrolet Suburban provides the cargo capacity, durability, and reliability needed to support the department's transportation requirements, including the movement of instructional materials, tools, and equipment across CTE program sites. Timely replacement will reduce the risk of service disruptions associated with the current vehicle's age and condition and ensure continuity of instructional and logistical support.
- The Chevrolet Suburban provides the increased cargo capacity, reliability, and long-term operational value needed to support the diverse transportation needs of the CTE Department.
- If approved, utilizing Lewisville ISD-eligible cooperative contracts provides the District with the best value.
- Best value involves considering several factors, which may include, but are not limited to, price, quality, availability, delivery timing, support, and other relevant factors.
- Interlocal cooperative contracts have gone through a competitive procurement process and comply with local, state, and federal procurement laws.

Administrative Consideration:

- Funds for this vehicle will come from the CTE Department approved budget(s).
- Total estimated expenditures: \$65,000 but will not exceed the approved budget(s).
 - Purchase of one 2026 Chevrolet Suburban
- Estimated delivery of this vehicle to Lewisville ISD is expected in June–July 2026.
- This procurement complies with Section 44.031 of the Texas Education Code and other applicable local and state procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves the use of Lewisville ISD-eligible cooperative contract(s) for one Chevrolet Suburban for Career and Technical Education (CTE), the associated awarded vendors, and the estimated expenditures.

Timeline/Report:

- Term: Upon approval
