

School Board Meeting:

June 29, 2010

Subject:

Buffalo High School Special Education
Remodel Project

Presenter:

Eric Hamilton

SUGGESTED SCHOOL BOARD ACTION:

Award the bid to Project One Construction by accepting their low bid of \$209,235 and Alternate "A" Liquidated Damages.

DESCRIPTION:

Enclosed is the bid tab for the Special Education remodeling at BHS, showing the six companies that placed bids. This project would start as soon as contracts are signed and at that point we would get a timeline that I can share with all parties. Because of the late start, this project may not be finished by the start of school.
