Dear Mark Martell:

Thank you for your generous donation to Nehalem Elementary School. As I talked about with your local staff, your donations have been saved for years to fund a big project....we plan to build an outdoor community and school walking track around the outside perimeter of our soccer field with your donated funds. Our student body is running a jogathon today, in fact, to help fundraise to make sure we have plenty of funds to make this track a reality. Thank you for continuing to give to our school...it truly makes a difference in what we can offer the students, staff and the community.

Thank you so much. You are positively impacting our school community in a big way!

Sincerely,

Kristi Mills
Nehalem Elementary School Principal
