

ELD/Bilingual/Library Board Report

March 2026

ESL & Dual Language

ELPA testing continues, but is almost finished. We should have all testing finished by spring break.

On February 25, we held our Dual Language Family Night. It was attended well and turned out well. We had 3 parent presenters, presentations from DL teachers and a presentation from me.

Libraries

All of our school tournaments for Battle of the Books are finished, and we took two teams to the regional tournament for grades 6-8 last Saturday at Baker City. Next Saturday we will return to Baker City, taking the elementary winning teams to the regional tournament.

The winning 3rd grade team, from MHES was Team Ice Cream.

The winning 4th/5th grade team, from CVI was the Kitty Club.

The winning 6th grade team, from CVI was Rainbow Mamba.

The winning 7th/8th team, from CBMS was the Bookworms.

I had an enjoyable week last week, as the Cat in the Hat, reading to students at CVI and MHES for Read Across America week.

I am happy to welcome to our library team, Yakima Contreras, who will be working at CBMS.

As usual, if you have any questions or comments, feel free to reach out to me. Thank you!

David Lougee
