May Athletic Board Report

Our Spring Season has gone well. The boys and girls golf teams made it to regionals with one girl qualifying for the state tournament. Our Tennis teams did a great job with 8 kids qualifying for regionals. Boys Track was district and area runner ups. We had 3 girls and 6 boys qualify for the Regional Meet with hopes of making it to the State Track Meet. Softball finished 3rd in the district and lost in the Bi-District Round. Baseball finished 2nd in the District and just won the Bi-District Championship. We have had another outstanding year in athletics. All of our teams qualified for post season. We are super proud of all of our athletes. Our student athletes are competing well and as always, we are proud of the way that our student athletes represent our school and community.
