Recommendation(s):

The Board of Education is asked to adopt the attached 2025-2030 WAWM District Library Plan.

Purpose:

Every 5 Years, our district is required by the Department of Public Instruction to develop, approve, and submit a WAWM Library Plan. Previously, this was every 3 years. The WAWM District Library Plan serves as a guide for programming offered in our schools, as well as a reference for purchasing items through Common School Funds. This plan has been developed using *The Future Ready Framework*, which aligns with guidance from the Department of Public Instruction, and in collaboration with key stakeholders in our community.
