It's more than just a backpack.

Dear United ISD,

Thank you for partnering with the Kids In Need Foundation! At Kids In Need Foundation, we believe every child in America should have equal opportunity and access to a quality education. By partnering with teachers and students in under-resourced schools, we provide the support needed for teachers to teach and learners to learn

We appreciate your interest in accepting a donation of Lysol Wipes on behalf of your district. Equipping students and teachers with the tools they need to both stay safe and succeed is a top priority—and this donation can help do just that.

This particular donation of Lysol Wipes - Flatpacks (80 wipes per pack), which will arrive via three full truckloads (freight shipment), is valued at **\$431,137.71**.

By continuing to partner with districts like yours, we can give students the confidence to keep coming to school. And we can empower great teachers to continue teaching in the communities that need them most.

Thank you so much,

-Nate
