

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13**  
**BOARD OF EDUCATION**  
**Bloomington, Illinois**  
Regular Meeting March 22, 2021

**FOR ACTION**

**Subject: Approval of Capital Projects for Summer 2021**

At the last meeting, Mr. Leyden presented the proposed building projects with projected costs to the Board of Education for review. This evening, I am recommending that the projects be approved in order to begin the process of budgeting the costs associated with the projects and to schedule the projects to begin after students have been dismissed for the summer.

**Recommendation:** The Board approve building projects within the 2021-2022 budget up to \$175,000.00 of local tax dollars as outlined in the attachments.
