Students are prohibited from using WCDs to capture, record or transmit the words (i.e., audio) and/or images (i.e., pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without express prior notice and explicit consent for the capture, recording or transmission of such words or images. Using a WCD to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted, unless authorized by the building principal. Students who violate this provision and/or use WCDs to violate the privacy rights of another person may have their WCDs confiscated and held until the end of the school year.

Under normal circumstances, students may use WCDs while riding to and from school on a school bus or other vehicle provided by the School Board. Distracting behavior that creates an unsafe environment will not be tolerated.

During after school activities, when directed by the administrator or sponsor, WCDs shall be powered completely off, not just placed into vibrate or silent mode, and stored out of sight.

The requirement that WCDs must be powered completely off will not apply in the following circumstances when the student obtains prior approval from a building administrator:

- the student is a member of a volunteer fire company/department, ambulance or rescue squad.***
- the student has a special health circumstance (e.g., an ill family member, or his/her own special health condition).***
- the student is using the WCD for an approved instructional purpose with the teacher's permission and supervision. In no circumstances shall the WCD be allowed to connect to the District's network. The preceding prohibitions do not apply to Board-owned and issued WCDs or authorized assistive technology devices.***

No expectation of confidentiality will exist in the use of WCDs on school premises/property.

Students are prohibited from using WCDs in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5600, Student Discipline. In particular, students are prohibited from using their WCDs to: (1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, national origin, sex, sexual orientation, age, disability, religion, or political beliefs; and (2) send, share, view or possess pictures, text messages, e-mails or other materials of a sexual nature (i.e., sexting) in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using WCDs to capture and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using their WCDs to receive such information.

Students are personally and solely responsible for the care and security of their WCDs. The School Board assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.

Students may use school phones to contact parents/guardians during the school day.

A person who discovers a student using a WCD in violation of this policy is required to report the violation to a building administrator.

~~Failure to comply with this policy may result in disciplinary action and/or confiscation of the device(s) in accordance with the District's disciplinary policy.~~

~~At no time shall the District be responsible for preventing theft, loss or damage to cell phones or other telecommunication devices brought onto its property.~~

~~This policy does not alter the District's prohibition of the possession and use of paging devices.~~
