

LONGHORNS Read to Lead

SBEC and Proclamation 2020

The State Board of Education (SBOE) uses a proclamation to call for new instructional materials. The proclamation lists the subject areas scheduled for review. Proclamations are named for the year the materials go into the classroom.

Proclamation 2020 calls for instructional materials for all courses in English Language Arts, Reading, English for Speakers of Other Languages, and other ELAR electives in grades 9-12. CHISD will conduct a review of materials during the 2019-2020 school year. Materials will be ordered in Spring of 2020 after Board approval, and implementation will begin in the 2020-2021 school year.

The State Board of Education requires that all Proclamation 2020 pre-adoption samples of instructional materials submitted for adoption be made available to the public online. The pre-adoption samples are posted to the [Texas Education Agency website](#).

Demo Accounts for the 9-12 ELAR Instructional Materials Adoption

The Instructional Materials Allotment Team recommendations for Proclamation 2020 are available for online review for English/Language Arts in grades 9-12. Teachers, students, staff, and community members have the opportunity to review the materials and offer feedback. The results will be used in conjunction with feedback from the Instructional Materials Allotment Team and the final recommendation will be made by the Assistant Superintendent of Curriculum and Instruction to the Board of Trustees in May. Below are links to digital access for materials under consideration. After reviewing the materials, please vote and offer your feedback with this [survey](#).
