## KELLER INDEPENDENT SCHOOL DISTRICT

**12A. Report**

**Date: January 08, 2007**

**SUBJECT: PRELIMINARY BUDGET ASSUMPTIONS AND ANTICIPATED EXPENDITURES**

**BOARD GOAL: All systems in the Keller Independent School District will be effective, efficient and accountable in support of the district's mission.**

**FISCAL NOTE: Budget planning for the 2007-2008 General Fund**

### **Background Information:**

- To set a base understanding of the budgets components, a listing of assumptions has been developed by the campuses and administration.
- These assumptions will highlight those items that will drive the budget and provide for reoccurring expenses or items that will create expenses for the first time that will need to be provided for in the future

### **Administrative Considerations:**

- The attached list represents the best thinking by the campuses and departments at this time.
- Adjustments will be made as these assumptions are further investigated for priority and feasibility.
- The departments will continue to collect data that may have an impact on this listing.
- On January 22, 2007, a discussion session is planned to discuss the assumptions and expenditures and begin to receive input from the Board.
