Public Comment: Ricky Harris, a GHS graduate in 1979, and Ethel Harris-Moffett, a 1972 graduate, asked the board to consider allowing alumni representation for Washington High School at the GHS Homecoming pregame event. This recognition would take only about three to five minutes — just enough time to step onto the edge of the field, be presented with a bouquet of flowers, and have the announcer share a few highlights. We're simply asking to be included and represented, because Washington High School is a meaningful part of our lives and of this community's history. We would appreciate your consideration in making this gesture possible.
