## CERTIFICATION OF CRIMINAL HISTORY RECORD INFORMATION

Each Texas public school district must receive certification from any entity with which it contracts to provide services regarding the fact that the entity has obtained the following for all employees who have or will have "continuing duties related to contracted services;" and have "direct contact with students" before employing or immediately after employing or securing the services of the individual:

- (1) A name-based criminal history background check on all employees hired before January 1, 2008;
- (2) A national criminal history record information review on all employees hired on or after January 1, 2008, which may include fingerprints and photographs.

"Continuing duties related to contracted services" – work duties that are performed pursuant to a contract to provide services to a school district on a regular, repeated basis rather than infrequently or one time only.

"Direct contact with students" – The contact that results from activities that provide substantial opportunity for verbal or physical interaction with students that is not supervised by a certified educator or other professional district employee. Contact with students that results from services that do not provide the opportunity for unsupervised interaction with an individual student, such as addressing an assembly, officiating a sports contest, or judging an extracurricular event, is not, by itself, direct contact with students. However, direct contact with students does result from any activity that provides the opportunity for unsupervised contact with students such as, without limitation, the provision of individualized coaching, tutoring, or other services.

19 TAC § 153.1101

The required criminal history record information can be obtained from either of the following:

- A law enforcement or criminal justice agency
- A private entity that is a consumer reporting agency governed by the
- Fair Credit Reporting Act (15 U.S.C. Section 1681 et seq.)

The school district may not allow any employee of the entity or an individual to serve at the district if information obtained through this review verifies that the employee has been convicted of one of the following and at the time of the offense the victim was under 18 years of age or was enrolled in a public school:

- (1) A Title 5 felony offense;
- (2) An offense requiring the individual to register as a sex offender; or
- (3) An offense under the laws of another state or federal law that is equivalent to a Title 5 felony in the state of Texas or that would require registration in the Texas sex offender databank.

Name of Contracting Entity or Individual: Laura H. Hernandez, M.S., M.A., Licensed Specialist in School Psychology

Type of service to be performed on school campus: Psychological Evaluations for eligible special education  
students.

# EAGLE PASS INDEPENDENT SCHOOL DISTRICT

1420 EIDSON ROAD • EAGLE PASS, TEXAS 78852 • 830/773-5181

On behalf of the above-named contracting entity or individual, I hereby certify the following (*Check One*):

- No employees, including myself, have continuing duties related to the contracted services and/or will have direct contact with students; therefore, I/we do not have any covered employees and no criminal background check is required.
- All employees, including myself, who have continuing duties related to the service(s) to be performed at the District and who also have direct contact with students have undergone the required criminal history background check (employed before January 1, 2008) or national criminal history record information review, which may include fingerprints and photographs (employed on or after January 1, 2008) and that no prohibited contact as described herein was revealed.

I have attached a list of employees, including myself, who have or will have continuing duties related to the contract and who will have direct contact with students. None of these individuals has a reported criminal history that would render the employee ineligible for service at a Texas public school district. Upon request, I will make available for the District's inspection the criminal history record information of any covered employee. I will notify the District within three business days if I receive information that a covered employee has been convicted of a criminal offense that would render the individual ineligible for service at a Texas public school district under state law. I agree that if the district objects to the assignment of a covered employee to the district, on the basis of the covered employee's criminal history record information, I will discontinue such assignment, or my contract with the District may be terminated.
