

Recommendation for Baseball Training Equipment and Supplies

*Coach Jackie Loyd has met with Coach Keeling and he is requesting the following baseball training equipment and supplies. Two pieces of equipment on this request make up \$6,145.11 of the total. Coach Loyd has used these two pieces of equipment at his previous jobs and thinks that they will help our baseball players tremendously. I recommend that Waskom ISD purchase the recommended items on the attached invoice.

*"I move to purchase the baseball training equipment and supplies that was recommended by Coach Loyd on the attached invoice."

This motion requires a second and a majority vote.
