FROM: Andy Barrett
RE: Textbook and Resource Adoptions for 2021-2022
DATE: April 12, 2021

Attached you will find the list of textbooks and primary resources recommended for adoption for use beginning in the fall of the 2021/2022 school year. These resources have been reviewed as part of a rigorous evaluation process conducted by our faculty and administration and will either replace aging, outdated resources or support students in new courses or content areas.

These resources were presented publicly on February 22, 2021 and have been on public display in our district office as required by School Board Policy and the Illinois School Code. We have received no questions or comments regarding these resources. Approval is recommended.
