Dear Superintendent Guardipee,

Thank you for the call this morning and congratulations once again on your new position as superintendent.

Cut Bank Public Schools would greatly appreciate the Browning Board of Trustees re-considering our ability to enter the Browning District on Highway 2. This is purely a safety issue because the turn-around opportunity is much safer at Merriweather than at the turn-around we have arranged. I apologize for not being available for this meeting in person, but I do have another engagement at that particular time.

Thank you again for re-visiting this issue and I look forward to working with you throughout the school year.

Sincerely,

Wade Johnson, Superintendent
