## **School Board Policy 902**

**<https://www.isd709.org/community/facilities-use>**

---

**The following guidelines have been established for the use of Duluth Public Schools' facilities by our students and staff, our extracurricular programs and community members.**

The district reserves the right to adjust these guidelines to fit unique circumstances as determined by the Superintendent and School Board.

Effective Date: July 1st, 2024

## **Community Use of School Policy Statement**

The School Board, being aware of the large capital investment the community has in school facilities, has determined that the community should receive maximum return for this investment. The introduction of the community education program has been made in pursuit of this objective. The policy is further extended to the use of school buildings and facilities by community groups in the promotion of school, civic, or social goals.

Public school facilities exist primarily for the purpose of serving the educational needs of the youth in the community. No group or organization will be scheduled if requested use interferes with regular school programs or school sponsored activities. The school district will determine the most appropriate and available use of the district's facility space.

The following rules are to be adhered to when using school district facilities, grounds and equipment in accordance with Minnesota School Board Association Policy 902. It is the facility user group's responsibility to communicate these rules and regulations to their leaders, participants and spectators.

- Regular school activities, programs and organizations shall have first priority in the use of any district facility or grounds.

The adult responsible for the activity must remain with the group the entire time that they are in the building and must not leave until he/she is certain that all members of his/her group are out of the building and picked up by parents/guardians.
- The adult responsible for the activity is also accountable for the conduct and behavior of both participants and spectators. Responsibility includes enforcing rules and regulations

as well as restricting group activity to the areas listed on the facility use permit. All children must be under parental/leader supervision. Running or ball play is not permitted outside of the gym.

### Cancellations and No-Shows

If a permit needs to be canceled, please contact the Community Education office as soon as possible. Last minute cancellations should notify the Community Education office and call the site's engineer office. Phone numbers can be found in the ISD 709 Buildings and Locations section of this document.

The district reserves the right to charge a cancellation fee and/or full payment if cancellation is not requested 7 days prior to the event or for no-shows.

Exceptions are for weather related cancellation or canceled by ISD 709. There will be no charge for cancellations for these reasons.

The district will make every effort to provide alternative locations or reschedule the event.

**Juneteenth** ^

On Juneteenth (June 19), "public schools may offer instruction and programs on the occasion." For more information, see [Minnesota Statutes 10.55](#) (*Juneteenth*). The Minnesota Department of Education takes the position that school may not be offered on this holiday. MSBA continues to work with MDE to determine the "instruction and programs on the occasion" that may be offered.

**Indigenous Peoples Day** ^^

In 2023, the Minnesota legislature replaced Christopher Columbus Day (the second Monday in October) with Indigenous Peoples Day. All references to "Christopher Columbus Day" or "Columbus Day" are to be changed to "Indigenous Peoples Day" in Minnesota Statutes and Minnesota Rules. Thus, the conditions set forth in [Minnesota Statutes Section 120A.42](#) (*Conduct of School on Certain Holidays*) continue to apply on this date.
