1. Ancillary Benefits (Roll call)  
Ancillary benefits include vision, dental, long term disability insurance and paid family medical leave. Logan Tufte will be at the meeting to provide a summary of the bids. There will be a vote based on the recommendation of the LMC.
2. Second Reading of Policies 620 & 621 (Voice vote)  
**I recommend a motion to approve the second reading of:**
  - Policy 620 Credit for Learning
  - Policy 621 Literacy and the Read Act
3. MSBA Resolution Topics  
I believe we should identify a couple of priorities and work towards submitting those. Proposals are due to MSBA on Sept. 24th, so we can approve them at the Sept. board meeting on the 22nd and have time to submit them.
4. 2025-26 Restrictive Procedures Plan  
**I recommend a motion to approve the 2025-26 Restrictive Procedures Plan.** The Restrictive Procedures Plan must be approved by the school board on an annual basis. As the name implies, the plan spells out plans, procedures, documentation, and training to minimize the need for a student to be placed in a restrictive environment. Typically, this applies to students on Individual Education Plans.
5. Truth in Taxation Hearing Date & Update 2025 Meeting Schedule  
**I recommend a motion to set the 2025 Truth in Taxation hearing date as Dec. 15, 2025 at 5:30 p.m. in Room J110.** The regular school board meeting from Dec. 22nd would be changed to this date as well.
6. **Approve Custodian Agreement 2025-27**  
**I recommend a motion to approve the agreement as presented.**  
The custodial group has already voted to approve the agreement.
7. Closed Session - Superintendent Evaluation
