Final Reading of a Policy

The following policy is being presented to the School Board for final reading:

- **Policy #807 – Health and Safety Policy**
X Mandatory Policy

Brief Description:

This is a mandatory policy required by M.S. 123B.57, Subd. 2, for school boards to qualify for health and safety revenue. To receive health and safety revenue, school districts must submit an application to the Commissioner of Education, along with a health and safety budget adopted and confirmed by the school board as being consistent with the school district's health and safety policy. The provisions of this policy substantially reflect statutory requirements. The Minnesota Department of Education has approved this policy.
