Subject: Purchase of Everyday Mathematics for Grades One through Four

I would like to request to be placed on the Curriculum Committee agenda for the May 12, Board of Education Committee of the Whole meeting with a recommendation to purchase Everyday Mathematics Student Essential Sets for First, Second, Third and Fourth Grade Classrooms from McGraw Hill in Columbus, Ohio for \$129,245.16. This purchase would include print and digital sets for students as well as teacher licenses. The funds for this purchase is the Elementary Textbook Budget which has been supported by the Wayne County Enhancement Milage.

Thank you for your consideration of this request.
