## PREFACE

This handbook is to provide information for parents and students that may be interested in the interscholastic activities program of the Browning High School, District #9, Browning, Montana.

It is impossible to list all the details about the various athletic programs in this handbook. **Each coach will handle situations that arise according to the signed copy of individual coaches' rules in conjunction with the activity's handbook. This manual is not all-inclusive, and each coach may have additions, which they will give to the athletes and parents at the parent meeting.**

*This handbook will be reviewed annually and modified when necessary. However, as long as a policy or regulation is in effect, parents and athletes are expected to support and follow them.*

## WELCOME

Welcome to the activities program at Browning High School. We are excited about your participation in one or more of our activities and hope that you have a positive learning experience from your efforts.

The contents of this manual are designed to answer most of the questions you may have about the operation of our activities program.

***The athlete is required to have passed a physical examination for the current school year on file prior to participating in any organized athletic program or contest. The athlete must fill out the emergency treatment release card. This card must be filled out completely and left with the BHS Head Coach for 9-12 grade students, before the student will be allowed to participate.***

Browning High School will strive to provide the students with the best possible opportunities for a rewarding experience.

### EQUAL EDUCATION and NONDISCRIMINATION:

Browning Public Schools, District #9 is committed to nondiscrimination in the provision of all educational services. An equal educational opportunity is a fundamental right under both the Montana and United States Constitutions; it is the policy of this District to provide a learning environment free of discrimination. All students have the opportunity to participate in and receive benefits from all programs or activities including, but not limited to, course offerings, graduation requirements, athletics, counseling services, extracurricular and other school-related activities.

Discrimination in education because of sex, race, color, creed, religion, national origin, age, physical or mental handicap, political belief, and marital or parental status is prohibited unless based upon reasonable grounds as provided by law. The District is committed to taking the appropriate and feasible remedial action necessary to eliminate existing discrimination and its effects. Inquiries regarding discrimination or intimidation should be directed to the Browning Public Schools Title IX/504 Coordinators TBA and Dennis Juneau. In compliance with federal regulations, the District will notify annually all students, parents, staff, and community members of this policy and the designated coordinator to receive inquiries. Notification should include the name and location of the coordinator and will be carried in all handbooks and published in community newspapers.

Inquiries regarding discrimination or intimidation at Browning High School may be directed to Title IX Compliance, TBA, 105 Hwy 89 Browning, Montana, or at (406) 338 – 2715.

## **STATEMENT OF PHILOSOPHY**

Participation in interscholastic activities in the Browning Public Schools is a privilege. High Standards of conduct are expected from students participating in these activities. Interscholastic activities are provided to create a positive opportunity for the development of constructive citizenship attitudes and life skills. All interscholastic participants are representatives of Browning Public Schools and are expected to behave in an exemplary manner.

Participants and their parents or legal guardians will be aware of the philosophy and the rules and regulations under which they are given the opportunity to participate. As a prerequisite to participation, all students involved in the interscholastic activities outlined herein shall be required to file a form signed by a parent or their legal guardian and the participant indicating that they have read, understand, and agree to the rules and regulations as outlined in this Activities Handbook. In addition, those participants involved in Montana High School Association sanctioned activities must agree to submit to random drug testing as required by the Browning Public Schools Policy #3525, Drug Testing Policy for Student Athletes and Montana High School Association (MHSA) Approved Activity Participants; Sanctions for Drug Use by Students Participating in Athletics and Extracurricular Activities.

### **Goals**

The objective of the Browning High School Activities Department is that all participants will learn:

- The importance of good sportsmanship.
- To work cooperatively to create team or group success.
- To accept direction and authority from coaches or advisors.
- Socially acceptable emotional control.
- The importance of self-discipline.
- To compete/participate within a given set of rules or guidelines.
- To set reasonable goals and work toward their realization.
- To better understand other people's feelings and attitudes.
- To maintain physical well-being.
- The importance of constructive release of energy.
- To handle socially acceptable recognition.
- To think under pressure.
- That academics are always more important than athletics or extracurricular participation.

## **Parent/Guardian Code of Conduct**

The Browning Public Schools believes parents/guardians play a vital role in the development of student athletes. We ask that this code of conduct be distributed so that parents/guardians, players, and coaches have an opportunity to read and fully understand them.

- I will encourage good sportsmanship by being a positive role model.
- I will try my best to make athletics a positive experience for everyone involved, i.e., participants, coaches, officials, and spectators.
- I will insist my player treat other players, coaches, officials, and fans with respect.
- I will reinforce the school's drug and alcohol-free policies and refrain from using alcohol and other drugs before or during contests.
- I will do my best to understand and appreciate the rules of the contest.
- I will show appreciation for an outstanding play by either team.
- I will be a "team" fan, not a "my student athlete" fan.
- I will help my student athlete learn that success is measured by the development of skills, not winning or losing.
- If I have a concern, I will talk to the coach at the appropriate time and place, i.e. never before, during, or immediately after a contest.
- As the parent/guardian, I will be immediate spokesperson to communicate my concerns along with my student athlete by following the chain of command.
- I will do my best to remember my ticket to a school athletic event provides me with the privilege of observing the contest, not berating officials, coaches, or players.

Parents/guardians who confront coaches before, during or immediately after contests will be asked to leave by the administration or designee of the Browning Public Schools and will be escorted to the exits by school security. Parents who come to the sidelines or the benches during contests will also be asked to leave the contests by the administration and will be escorted to the exits by school security.

Further consequences may occur, which could include exclusion from sporting contests at home venues for one calendar year.

## **CONFLICT RESOLUTION-5-STEP COMMUNICATION PROCESS**

Browning High School has a 5-step process of communication to use in resolving conflicts. Communication in this order helps to ensure strong relationships and trust amongst all who are involved in resolving problems. The process is as follows:

1. Student meets with coach/advisor. (If a student is uncomfortable meeting with the coach/director by himself or herself, a varsity captain can assist in starting the dialogue with the coach/director. The captain's role in the communication process will end at this step.)

All coaches/sponsors are responsible for setting the date, time and type banquet/social for their individual sport. It is the coach's responsibility to give all lettering information, award information and any other information pertinent to the ceremony two weeks in advance.

## **SOCIAL MEDIA POLICY**

Everything that is posted on any social media outlet should be considered information that is out of one's control once it is posted. It is understood that third parties including media, faculty, future employers, future schools and coaches could easily access profiles and view all personal information. If postings or messages are inappropriate, this could be detrimental at multiple levels. The use of social media by a student or portrayal of a student in social media considered to be "unbecoming" may result in discipline including suspension or removal from the activity, group, leadership position or team.

## **Browning Public School Policy**

**DURATION OF SEASONS:**

Fall, winter and spring seasons begin on the first day of practice allowed by the Montana High School Association and end the day prior to the beginning date of practice for the next sport. The length of season for activities not conducted according to MHSA season guidelines shall be determined to be that of one school semester.

**CUT POLICY: HIGH SCHOOL ONLY**

At its August 26, 1998 meeting, the Browning School Board approved the adoption of a “Cut Policy” applying to high school athletic programs when necessary. Individual coaches will develop their criteria for selection of those participants who will be placed on a team and those who will not be placed on a team. These criteria will be made known to participants at the beginning of their season. These criteria may be more stringent than the baseline requirements contained in this handbook. The Activities Director prior to implementation will approve all team selection criteria.

## **TEAM MANAGERS AND STAT KEEPERS:**

Students interested in the athletic program, but who choose not to be team members, are encouraged to become team managers and/or stat keepers. Coaches will select managers and stat keepers from students who are not participants in the mainstream athletic program. Team managers and stat keepers are viewed as extensions of the team and are subject to the same rules that govern the team as a whole.

## **ACTIVITY INSURANCE**

Browning High School carries insurance on all students participating in any Montana High School Association activity. This coverage is in force while practicing in or competing in, as a representative of the school and under direct supervision of certified full time school employee or qualified coach, an inter-school activity conducted under the regulation and jurisdiction of the MHSA.

This plan covers only medical expenses that are not payable by other insurance. Therefore, you must file a claim with your family insurance coverage or health provider.

## **Injury Report**

On any injury for which a possibility of a claim for insurance may occur, or a doctor's visit will occur, the student's parents and coach should contact the high school athletic director's office within 72 hours of the incident. If the injured student must see a doctor for the injury, a statement of release from the doctor will be required before the student is eligible to participate in practice or games/meets.

Athletes injured in sports should make sure the Coach has filled out an injury report and submitted it to both the Athletic Office, and the Principal's Office. Athletes also have the responsibility of initiating any insurance claim form if injury resulted in ambulance service, doctor's service, doctor's care, or hospital expenses. Remember – insurance companies have no way of knowing about an injury unless you inform them through a claim sheet.

Coaches are not to do any medical treatment on students, in which the symptoms indicate a communicable or infectious disease.

### **Steps to follow if a student sustains an injury:**

1. Obtain a claim from the coach, sponsor, advisor or the Activities Director.
2. A doctor must treat the student within 30 days from the date of injury.
3. Proof of claim must be submitted within 90 days from the date of injury.
4. Benefits are payable for one year from date of accident.

### **Browning Public Schools**

*Policy #3520*

*Policy Name: Academic Eligibility*

**Regulation:** -----

### **MONTANA HIGH SCHOOL ASSOCIATION POLICIES**

All students participating in extra-curricular activities at Browning High School must meet the academic eligibility and enrollment requirements in Browning Public Schools in addition to the rules and regulations stated in the Montana High School Association (MHSA) Handbook.

MHSA statements are as follows: MHSA Handbook Article 2, Section (2) Eligibility.

“To be eligible to participate in an Association Contest, a student must be regularly enrolled in school, must be in regular attendance from the enrollment date, and received a passing grade in at least twenty periods of prepared class work or its equivalent in the last previous semester at the school where the student participates...”

Interpretation of the above Article is that students will be enrolled in at least two credits of classes while participating in Extra Curricular activities at Browning High School.

### MHSA Handbook Article 2, Section (2), Academic Eligibility

“To be eligible to participate in an Association Contest, a student must have received a passing grade in at least twenty periods of prepared work per week or its equivalent during the last preceding semester in which he/she was in attendance. If a student is assigned an “incomplete” or a “condition” in a subject, he/she has not received a passing grade in this subject. The record at the end of the semester is final and scholastic deficiencies may not be “made up” in any way. This section shall not apply to students committed to Pine Hills School or to students assigned to MHSA interscholastic activities as part of their Special Education Individual Education Plan (I.E.P.)”

Interpretation of the above Article is that students must earn 2 credits during the semester prior to the sport season in order to participate in a particular sport. Passing four classes worth 1/2 credit per semester will meet this standard. P.E. and Office Aide classes are worth 1/4 credit per semester

### MHSA Handbook Article 2, Section (15), Award Rule

“No award exceeding one hundred dollars (\$100.00) in value shall be given per event in any MHSA sanctioned sport or in any MHSA sanctioned interscholastic activity by a member school, by any person or by an organization to a student in recognition of that student’s achievement or participation in any interscholastic activity. An event is defined as a sports camp, an invitational tournament/meet, a post season recognition (i.e. sports banquet), or fund raiser or similar function. Cash cannot be awarded.”

Violation of this rule will render the student ineligible in the MHSA sponsored sport or activity for the student received the award.

The Board of Control will follow the same procedure for restoring the eligibility status as provided in the last paragraph of the Amateur Rule, Article II, Section (16) of the Handbook.

### **POLICY**

It is the expectation of Browning School District #9 that all of its students will experience success in all academic and extracurricular endeavors in which they participate. School District #9 also recognizes the positive impact of extra-curricular activities on student mental health and social development. Browning Public Schools has implemented the following Academic Eligibility Policy for students, grade 6-12 concerning participation in all Extra-curricular club/sport activities as listed in the Browning Activities Handbook. The goal of this policy is to encourage academic excellence and foster long range goal setting by the students of Browning Public Schools. It is important that students and parents or guardians understand that the primary mission of the school is to provide an academic education to its students and the privilege of participation in extra-curricular activities will be based upon achievement in the classroom.

All activities involving out-of-district trips will be covered under this policy. Attendance at concerts, dances,

sporting events, etc. sponsored by the school will not be covered under the following policy. For the purposes of this policy, days referred to will be considered to be calendar days.

Bi-weekly feedback will still be given to the student concerning their academic standing.

### **ACTIVITIES ELIGIBILITY**

A bi-weekly eligibility list is generated every other Friday at 3 p.m. The first time a student is identified as ineligible they will be allowed to practice and compete provided, they can show proof of attending tutoring sessions from 3:30 p.m. to 4:30 p.m. on Monday, Tuesday, and Thursday. If a student is identified as ineligible a second consecutive time the student becomes ineligible to compete until they are able to provide an updated grade report which shows that they are eligible by having at least a GPA of 2.0.

After being ineligible for two bi-weekly eligibility checks, the focus will be to help the student maintain the 2.0 GPA weekly, also student will need to report to tutoring on Monday, Tuesday and Thursday from 3:30pm to 4:30pm and provide documentation of attendance in the tutoring program from an adult BHS staff tutor.

The teacher must fill out and sign a note to the coach/sponsor stating the error and its correction. The student must then get approval from the Principal who will also sign the note to verify approval. The student must then give the note to the coach who will keep it for the duration of the season for future reference.

Discipline shall be consistent with state and federal regulations. Corporal punishment will not be used under any circumstances with students. Documentation will be kept in each building site regarding out-of-school suspension

and expulsion on appropriate forms. This data will be submitted to the Superintendent or his or her designee by the building principal for reporting purposes to the Office of Public Instruction following the instructional year.

### **Suspension**

The authority to suspend students for a short duration (10 or fewer days) lies with the building principal. Students may be suspended from school due to behavioral incorrigibility as demonstrated by failure to comply with District Policies or school rules, failure to submit to the authority of any adults employed by the school district while in the school and on school premises, or attending school sponsored functions. Continual and willful disobedience of school or classroom rules may also constitute suspension offences. Suspension may be of short duration or for the remainder of the current school year and include providing homework. Upon a finding by a school administrator that the immediate return to school by a student would be detrimental to the health, welfare, or safety of others or would be disruptive of the educational process, a student may be suspended for one (1) additional period not to exceed ten (10) school days, if the student is granted an informal hearing with the school administrator prior to the additional suspension, and if the decision to impose the additional suspension does not violate the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. 1400, et seq.

Each school shall maintain a record of any disciplinary action that is educationally related, with explanation, taken against the student. When the board of trustees takes disciplinary action against a student, the Board must keep a written record of the action taken with detailed explanation, even if the disciplinary action is decided during a closed session. A disciplinary action that is educationally related is an action that results in the expulsion or out-of-school suspension of the student.

### **Procedure**

1. Principal or designee confers with the student to discuss and investigate the alleged the infractions.
2. The parent/guardian is called or notified regarding the decision to suspend and allowed to pick the student up if the parent/guardian can immediately arrange for transportation.
3. A written referral identifies the rule or policy violation and identifies the amount of time the student will be suspended for and conditions for re-entry. This written referral is provided to the parent/guardian when the child is escorted home or picked up following suspension.
4. Formal written summary of the investigation is to be provided to the parent/guardian and included in the discipline records.
5. Suspensions are logged on appropriate forms and patterns of suspension are considered for each child.
6. A re-entry meeting is held with the child, parent/guardian and school administration prior to school re-entry.
7. The student will re-enter the school site with a behavioral contract.

### **Discipline for Students with Disabilities**

In the event a child has or suspected to have an educational disability, procedures 1-4 will occur as noted above and procedures 5-7 will be modified in the following manner:

1. If a pattern of suspensions becomes evident (at least 3 incidents) and a disability is suspected, an expedited evaluation to determine the existence of an educational disability will occur. For all students identified as having a disability and students suspected as having a disability, a functional behavior analysis and a manifestation determination will occur.
2. A Child Study Team/Individual Education Plan Team will convene a re-entry meeting and determine the following:
  - a. Is there evidence to support identification of an educational disability in the case of a student who is

- suspected as having a disability?
- b. If not, is Section 504 of the Rehabilitation Act applicable? If no major life function is inhibited by the student's condition, then engage in re-entry meeting.
  - c. If a 504 applies include 504 considerations of reasonable accommodations in the behavior/re-entry plan.
  - d. If an education disability exists, identify the disability, analyze the behavior demonstrated by the student and determine whether the behavior is caused or is a manifestation of the disability.
3. Develop an Individual Education Plan that includes behavioral objective and a behavior intervention plan that will function to teach appropriate behavior and result in a decrease in the incidence of behavior resulting in suspension.

### **Appeal Procedure**

Discipline resulting in suspension from school for less than 10 days may be appealed by notifying the Superintendent in writing within 10 days of the administrative decision to suspend. Notice of the appeal will be delivered by hand or by mail with return receipt requested. The Superintendent's review of the issue is limited to a determination of whether the administrative team followed applicable Board policies, Montana State, and Federal law. All decisions by the Superintendent described herein are final.

Suspensions of 10 days or more may be appealed to the Board of Trustees. The Board of Trustees is to be notified in writing within 10 days of the Superintendent's decision. The notice shall be hand delivered or delivered by certified, return receipt mail to the Superintendent's office. The Board of Trustees' review of the issue shall be limited to whether the Superintendent's decision was consistent with policy and Montana State and Federal Law. The decisions by Board of Trustees described herein are final.

### **Expulsion**

The Superintendent shall make recommendation for expulsion to the Board of Trustees. Consideration of expulsion shall take place in hearing.

### **Procedure**

A preliminary written recommendation is made to the Superintendent for expulsion and a copy forwarded to the Board Chair. The recommendation shall include:

- a. The specific charges and facts on which the recommendation is based.
- b. The recommended length of expulsion.

In his/her decision, the Chairperson shall consider the nature of the charges against the student, the testimony expected to be given, and the wishes of the student and his or her parents/guardians.

If the hearing is closed, all persons shall be excluded except the student, his/her parents/guardians, and his/her representative, the members of the Board, the person or persons presenting the recommendation and their representative, the Superintendent or his/her designee, and if a transcript is made, the secretary.

Whether the hearing is open or closed, persons who will give evidence shall be excluded from the hearing until they are called to testify. Evidence and testimony shall be given in the following order:

## **Policy Name: STUDENT CONDUCT AND DISCIPLINE**

**Policy #** \_\_\_\_\_

**Regulation: 3200R**

### **Applications of Sanctions**

Discipline set forth by this policy will be inclusive for grades 4 through 12. Tobacco violation will be considered separately from drug and alcohol (see below).

Student use or possession of alcohol or drugs of any kind, including marijuana, is a violation of Montana State Law. For on or off campus violations in regard to use of alcohol and drugs 1) including all illegal drugs, such as marijuana, as well as prescription drugs that have not been prescribed by a physician for that student and 2) tobacco products, including smokeless tobacco and nicotine devices such as electronic cigarettes or a positive drug test would be treated separately for in-season athletes, BHS Activities that have the ability to earn a letter, and other school sponsored activities as listed in the BHS Activities Handbook; Browning School District #9 will apply the following sanctions:

**First Offense:** Student is placed on activities term suspension of 15 contact days for all student activities. A contact day is defined as a day when a practice or event is held or a day when school is in session. Student will be required to participate in and complete a district approved intervention program.

**Second Offense:** Immediate removal from all activities for the remainder of the season. Application for reinstatement will be received by the Activities Director and forwarded to the Superintendent for possible action by the Board of Trustees.

For both, first and second offence, these are dealt with administratively pending a review by the Board of Trustees to determine that the pupil was involved in the incident or infraction as per MCA 20-5-201.

During periods of suspension, a student will be allowed to attend and participate in practice sessions. During the suspension period the student will not be allowed to wear his/her school uniform, be present in the locker rooms, or travel with the team for home or away competitions. The student remains ineligible until they are participating in Healing to Wellness Program for prevention and intervention.

If a student activity participant is the subject of (dependent upon policy 3525) violations of either policy 3525 or 3200 during any given school year, he or she will be suspended from participation in extra/co-curricular activities for the remainder of that school year.

### **Tobacco**

**First Offense:** Seven (7) calendar day suspension to include at least one competition. If competitions have not begun by the end of the 7<sup>th</sup> day period, the athlete will be suspended from the first competition that takes place.

**Second Offense:** Fifteen (15) calendar days suspension.

For each consecutive sport/activity season, athletes violating the tobacco policies will start over in terms of offense and consequence.

**Policy Name:** *Mandatory Random Drug/Alcohol Testing Policy for Extra/Co-Curricular Activity Participants*  
**Policy # 3525**

**Regulation:** See Browning High Activities Handbook

**POLICY STATEMENT:** In order to provide for the health and safety of the individual extracurricular participant or student athlete and other students, as well as provide a legitimate reason for students to say “No” to drug use and provide an opportunity for those taking drugs to receive help in locating programs which can provide assistance, the Browning High School (BHS) will conduct mandatory random drug testing of student extracurricular activity participants and athletes. The program is designed to create a safe, drug free, environment for students.

**POLICY APPLICATION:** All students who participate in an extra/co-curricular activity (sport or club) that is: (1) sanctioned by the Montana High School Association [MHSA], and/or (2) sponsored by Browning High School [BHS] will be subject to random testing in accordance with this policy. Any student activity participant who tests positive for drugs and/or alcohol under the testing program provided for herein shall be subject to the consequences set forth below.

All student activity participants remain subject to all other school rules and regulations pertaining to drug, alcohol and tobacco use,<sup>1</sup> including but not limited to, rules and regulations pertaining to the possession, use, sale, etc. of such substances during school or during school- related activities. Any violations of such other rules and regulations may serve as the basis for disciplinary consequences IN ADDITION TO any consequences imposed under this policy, which are limited to consequences with respect to participation in extra/co-curricular activities.  
<sup>2</sup>Prohibited tobacco use includes nicotine devices such as electronic cigarettes.

This policy extends only to random drug and alcohol testing and does not limit or otherwise restrict the ability of the District to conduct such testing on the basis of reasonable suspicion.

### **DEFINITIONS**

**Drug:** Substances covered under this policy include any alcoholic beverage, narcotic drug, hallucinogenic drug, inhalant, anabolic steroid, barbiturate, amphetamine, marijuana, nicotine (as found in electronic cigarettes) and any other stimulant such as phenylpropanolamine, depressant, intoxicant of any kind, substance purported to be one of the above, any dangerous drug as defined in Section 50-32-101, MCA or any imitation dangerous drug as defined in Section 45-9-111 MCA or any other substance considered illegal or controlled by the Food and Drug Administration. Marijuana is included in this definition and prohibited under this policy because students under the age of 21 may not possess or consume marijuana in accordance with Montana law.

**Student Activity Participant:** Any student participating in an activity sanctioned by MHSA. 42

**Activity Season:** "Season" as referred to in this policy shall mean the Fall, Winter and Spring seasons established for MHSA-sanctioned activities and shall begin on the first day of practice for such season and end the day prior to the beginning date of practice for the next successive season. With respect to students participating in non-

MHSA-sanctioned activities, the applicable period for any consequences attendant to a positive test result shall be equivalent to the then-current "season" under MHSA standards.

**Positive Test:** A drug test will be considered "positive" for drugs in accordance with the U.S. Department of Transportation guidelines.

### **PROCEDURES FOR CONDUCTING DRUG TESTS:**

**Consent:** Prior to participating in an athletic program, the parent or guardian and the student athlete will be required to sign a written consent for drug testing. Any time a student athlete, refuses to be tested, he or she will be subject to suspension from the team or from the sport/club for the remainder of the season. As Specified in Consequences for Testing Positive For Drugs.

**Compliance Requirements and Consequences:** Any student athlete or activity participant who fails to comply with a request for testing, refuses to submit to testing, provides false information in connection with a test, or who attempts to falsify test results through tampering, contamination, adulteration or substitution shall be subject to suspension from the sport/activity or athletic program for the remainder of the season. A refusal to submit to testing shall include, but is not be limited to, the following conduct: (a) a verbal declaration of refusal; (b) a refusal to provide a specimen or breath sample; (c) willful physical absence resulting in the inability to conduct the test (**the individual testee may NOT leave the room, waiting area, or premises while waiting to test**); and (d) engaging in behavior which is obstructive to the testing process.

**Medication:** Student athletes and sport/club participants who have been or who are taking prescription medication must provide verification (either by a copy of the prescription or by doctor's authorization) prior to being tested. Students who refuse to provide verification and test positive will be subject to the sanctions specified in this policy.

**Random Testing:** Random testing will be conducted during the various activity seasons throughout the school year. Students will be selected for random testing by a computer-generated process. Selection for testing will be made from one (1) "pool" consisting of the student activity participants for each given "season", as applicable. In order to preserve the integrity of the random test, parents will not be notified prior to a random test. All testing will be conducted by appropriately trained school personnel or by an independent testing agent selected by BPS.

### **CONSEQUENCES FOR TESTING POSITIVE FOR DRUGS**

If a student tests positive for drugs/alcohol, as defined in the drug/alcohol policy, the following action will be taken:

#### **Procedures**

1. An initial positive test will automatically require a second confirmation test of the same sample to confirm the initial positive result. If the second test of the same sample is positive, the student will not be allowed to retest to dispute the results of the first and second tests.
2. Upon receipt of information demonstrating a positive test, the student and his/her parent or guardian will be called in to meet with the Principal/Vice-Principal and Activities Director to be advised of the positive test result and to allow the student an opportunity to respond to the test result. Although the District will attempt to contact parents or guardians to request their attendance at the meeting, the meeting between the student and administrators shall be conducted in their absence.
3. Based on the results of the meeting conducted under Section (2) above, the Principal/Vice-Principal and Student Activities Director will determine whether the student activity participant will be subject to further consequences. A student will be subject to consequences if, based on the discussions held at the meeting, the administrators have determined that there is no valid reason to question the positive test result or a proven violation.

4. The Principal/Vice Principal and Student Activities Director will notify the Superintendent of the results of the meeting and of their determination as called for under Section (3) above. The student activity participant will continue to be allowed to attend and participate in practice activities pending the administrative decision and in cases where there is an appeal of this decision, pending the Board's consideration of the Superintendent's recommendation, but will be suspended from any traveling and/or competition with respect to the activity. Parents may waive the right to a Due Process hearing before the Board of Trustees by signing a waiver form.
5. The Board of Trustees shall consider and act upon any recommendation made by the Superintendent under Section (4) above. If the Board of Trustees determines that there is no valid reason to question the positive test result, the student activity participant will be subject to the following consequences:
  - a. First Offense: Student is placed on activities suspension of 15 contact days for all student activities. A contact day is defined as a day when a practice or event is held or a day when school is in session. Student will be required to participate in and complete a district approved intervention program, ex. Healing to Wellness.
  - b. Second Offense: Immediate removal from all activities for remainder of the season. Student will be required to participate in and complete a district approved intervention program like Healing to Wellness.

During periods of suspension, a student will be required to attend and participate in practice sessions. During the suspension period the student will not be allowed to wear his/her school uniform, be present in the locker rooms, or travel with the team for home or away competitions. The student remains ineligible.

### **Applications of Sanctions**

Discipline set forth by this policy will be inclusive for grades 5 through 8 and 9 through 12.

Use of possession of alcohol, drugs or tobacco, of any kind is a violation of Montana State Law. 24

The successful completion of the next available intervention program, ex. Healing to Wellness, is a condition of any future participation in extra/co-curricular activities. A student activity participant will not be allowed to participate in any future extra/co-curricular activities until that student has successfully completed the required drug and alcohol awareness class.

## **HAZING**

**Definition:** To persecute or harass with humiliating tactics or practical jokes, in general, or as an element of initiation into membership of a group. (This is inclusive of the tactic known locally as “giving snuggies”.)  
Disciplinary consequences:

**First Offense:** Browning Public Schools must take a zero tolerance on this issue. Students found to have been involved in such defined initiations or hazing will be dismissed from the team or activity and will be subject to additional consequences as stated in the Browning High and Middle School Student Handbook.

1. A conference will be held with the participant, parent/guardian, coach/advisor and Activity Director as soon as possible following the violation.
2. A written report of the incident will be filed with the Principal and Superintendent
3. In addition, an investigation will be conducted to determine further legal actions that may be necessary. Students and their families should be aware that serious civil and criminal charges might arise from initiation and hazing incidents.

**CELL PHONES, PICTURE CELL PHONES, DIGITAL/IMAGING CAPTIONING DEVICES:** Cell phones must be turned off upon entering the school and should not be used during the instructional day. They are not to be taken into locker rooms and restrooms. These devices may be confiscated and the duration decided on by the administration or, other disciplinary actions taken based on the behavior plan.

**SUSPENSION FROM SCHOOL:** Students assigned ISS or OSS will not be allowed to participate in practice or perform in any school sponsored activity during the time of the suspension. **They must also complete one full day of their regular school schedule following the suspension before returning to practice or competition. One full day of regular school constitutes attending all assigned class periods.**

### **FIGHTING**

**Disciplinary Consequences:** Coach/Sponsor will make a referral to the student's building administrator. Standard school disciplinary actions concerning fighting will be enforced as well as additional disciplinary actions as determined by the coach and or Activities Director. *Note that students serving school suspensions for fighting are subject to the Suspension from School policy as outlined above.*

### **CURFEW:**

**10:00 P.M. ON WEEKDAYS AND 11:00 P.M. ON WEEKENDS.**

For out-of-town trips, students will have thirty (30) minutes from the time of departure from the school to arrive home. For school related activities that extend beyond curfew hours, students will have thirty (30) minutes to arrive home upon completion of the activity. Disciplinary consequences-as determined by the coach/sponsor and/or Activities Director.

**PUBLIC DISPLAY OF AFFECTION:** Public displays of affection involving athletes or club members are not appropriate while the student is a representative of Browning Public Schools, especially during games, on trips and in other buildings or facilities.

### **NATIONAL ANTHEM/FLAG PRESENTATION RESPECT:**

Students will stand at attention with their hand over the heart while the national anthem is being played. Athletes/club members are *to remove hats/caps* and stand at attention during the entire time the flags are being presented, including the time when the flags are being carried on and off the floor/field.

### **OTHER CONSIDERATIONS SCHOOL SPONSORED ACTIVITIES AND TRIPS**

**Travel Considerations:** Students on school-sponsored trips are under the jurisdiction of the school and its policies as outlined in this Activities Handbook, the Student Handbook and the School District #9 policy manual. Students must travel to and from the activities by transportation authorized by the school. Occasionally, circumstances require special travel arrangements. On those occasions, the Parent/Guardian must contact the Athletic Director or building Principal for approval of the travel plan prior to the bus leaving for the event.

Parents wishing to have their student ride home with them after an event are to *personally* notify the

coach/sponsor and submit a written request for permission to take the student.

Students are asked to keep in mind that when they travel, they are Browning's "Ambassadors" and are expected to behave in a manner that will reflect positively upon themselves and our community.

Students apprehended breaking the law, such as theft, consuming or having consumed alcohol, drugs, tobacco or non-prescription drugs will forfeit their opportunity to participate in the present activity, will be sent home and will be subject to further disciplinary action. **If a student is sent home, the parent/guardian will be required to provide transportation or pay the cost of providing transportation. Furthermore, if a student is detained by Law Enforcement the parent is responsible for penalties and transportation. Students who leave the group may be suspended from further trips or extra-curricular activities.**

**Conduct on Buses:** We are very fortunate to have excellent team buses for the transportation of our activity's participants. While riding in school provided transportation, students are required to conduct themselves in an appropriate manner and to abide by all school transportation department rules concerning personal conduct, consumption of food & drink and general bus safety. Some of our buses are equipped with video viewing equipment. It is inappropriate to bring videos for viewing that may be offensive to some. All videotapes brought on trips must be pre-approved by the head coach or advisor before being brought onto the bus.

**Conduct in Hotels/Motels:** School related overnight trips are to be considered extensions of your regular school day. Students are to be under the supervision of an adult during the duration of any trip. An adult supervisor must accompany students wishing to leave the hotel/motel for meals or recreational purposes. Coaches, advisors or chaperones will designate appropriate times for students to be in their rooms and for "lights out". Students are expected to be in their rooms at the appropriate times and to exhibit behaviors that are considerate of other hotel/motel guests, (i.e., no running up & down the halls, slamming doors, yelling, etc.). When staying in lodging provided by the school district, students are not authorized to incur any additional charges to their rooms. Charges for items such as phone charges or room service are prohibited.

**Dress Code:** Since students participating in extra-curricular activities are very visible to those watching the event, it is important that they represent their school and community in the best possible way. Blue jeans and tee-shirts are not considered to be appropriate attire when our students travel on extracurricular trips. To this end, all students involved in extra-curricular activities will follow the following guidelines for student dress.

1. No baggy or saggy pants or shorts are to be worn.
2. Belts are to be kept inside the belt loops.
3. Shirts are to be tucked inside the students' pants, dress or skirt.
4. Hats are to be removed upon entering a building.
5. Students are encouraged to wear clothing that identifies them as members of the Browning extra-curricular activity that they are participating in at the time.
6. Students having them are encouraged to wear their letter jacket when attending contests at home or when traveling.

Again, students are reminded that others based upon how we present ourselves make judgments and opinions about our community and ourselves. Members of Browning's extracurricular activities will present themselves in a way that fosters a positive opinion by others.

Individual coaches/advisors will have the option of implementing a dress code consistent with the expectations of School District #9 for its students. The advisor, sponsor, coach, Principal and/or Activities Director will make the final decision about the appropriateness of a student's attire.

**CODE OF CONDUCT**  
**Browning Public School District #9**

It is becoming more evident that tobacco (*including smokeless*), alcohol and other drugs may easily become addictive and harmful to an individual's physical and emotional health. As part of the curriculum offerings, School District #9 provides education regarding the use of these substances.

The District also has a Substance Abuse Policy, which recommends counseling assistance for the student experiencing a problem with tobacco (*including smokeless*), alcohol or other drugs. Additionally, the District has developed and implemented a program to assist students in need of help due to the use of tobacco (*including smokeless*), alcohol or other drugs.

Co-curricular activities, athletics included, are extensions of the District's curriculum and the student's academic experience and are privileges afforded to students during their educational experience. The District feels that a student participating in co-curricular activities should be a good representative for themselves, their family, their fellow participants & students, their school and their community. The District further believes that involvement in the use of tobacco (including smokeless), alcohol and other drugs is not an appropriate representation for students participating in co-curricular activities.

Contained in the Activities Handbook are the guidelines of expected behavior for students participating in co-curricular activities. We are asking you, the parent or guardian, to discuss with the activity participant, the positive aspects of refraining from the use of tobacco (including smokeless), alcohol and illegal drugs. You should also note that there are penalties for participants who have been found to be involved in the use of tobacco (including smokeless), alcohol or other drugs during the time that he/she was participating in a co-curricular activity.

After you have read and discussed the Activities Handbook, please make certain that both student and parent (or legal guardian) have signed this form. Return the form to the appropriate coach or advisor. You may also return the form directly to the Activities Secretary in the high school office or to the office of the Activities Director.
