SUBJECT: 6-8 Science Textbook Recommendation – Amplify

Please include a recommendation to purchase textbooks for 6-8 science on the June 10, 2019, Board Committee of the Whole agenda.

Mr. Ben Hillard, K-12 Math and Science Coordinator, worked with a committee of sixth, seventh and eighth grade science teachers to complete the District prescribed textbook adoption process. Secondary principals support the recommendation. In his attached memo, Mr. Hillard shares more details about the evaluation process used. The textbook is available to review in my outer office area. Sample textbooks will also be available at the Committee and Regular Board meetings.

COURSES: SIXTH, SEVENTH AND EIGHTH GRADE SCIENCE
