Priority Performance Goal

2013-2014

*District Priority Goal-Improvement of the District Extra-Curricular Programs (Participation and Performance)

The number of students participating in extra-curricular programs is currently increasing each year.

The performance level of extra-curricular programs is becoming more competitive each year.

The following facts are provided to show the performance and participation of the district extra-curricular programs.

High School Band	32 students	2 nd Division at the Regional Marching Contest-2013
Intermediate Band	26 students	Students competing in Solo and Ensemble Contests
Beginner Band	67 students	Students competing in Solo and Ensemble Contests
