

**COSSA Board Meeting
Submitted by John Sparks
June 16, 2025**

FACILITY PROJECTS

☐ **Grounds**

Maintenance included weeds being sprayed and cut. Window cleaning is in the process for the entire building. All of the floors and carpets have been cleaned.

MAJOR EQUIPMENT

☐ **HVAC**

o Bauer concluded that one the unit in 107 needs to be re-wired and it will cost \$950.00 to be replaced.

This estimate is for repairs on Cossa Modular Building in Marsing.
Is going to be 767.00

SAFETY; SECURITY

☐ Found a solution with communication between daycare and the main building. We were able to add walkie-talkies to the daycare building.

The horn alarm for the outside going to cost us \$2,495 to get installed plus it needs to be on the blue print by state law that will be an extra charge of \$450.00

UPCOMING PROJECTS need to get the Cossa sign repaired this is the sign that is on highway 95

☐ **Landscape-**

☐ The irrigation system still requires some repairs with the sprinklers. We are waiting for spring to fix repairs

☐ **Awning**

Have been trying to find donations for dirt for our basketball court. With this we can build an awning to provide shade for our students and our community.
