Memo

To: Board of Education From: Patrick Palbicke CC: Dr. Scott Warren Date: November 5, 2025

Re: Approval of FY 2025 AFR

Attached is our FY 2025 audited AFR for Approval. Taking action at a board meeting with an official approval satisfies a requirement under Public Act 102-1088 which amended 17-1-1 of the school code.

The amended school code requires each school district to approve the annual State Board of Education report regarding improving fiscal efficiency through shared services or outsourcing at an open meeting with an opportunity for public comment, in accordance with the Open Meetings Act. In addition, the school district must also publish the report on the school district's website.

Within the AFR there is a document named "Report on Shared Services or Outsourcing" (page 42) in which satisfies this requirement. Once approved, the AFR will also be placed on our website under the Business Department with our other financial documents.
