**Background:** There are many outstanding students and staff in the Medford School District, and the Medford School District Board of Directors takes time in each regularly scheduled Board meeting to celebrate many of them. Students may be recognized for a variety of areas, including academics, athletics, arts, career and technical education, and music, or as nominated by school district staff. Staff members may also be nominated for exemplary contributions to the district.

Tonight, we celebrate:

### **Classified Appreciation Week**

This year, we want to take a moment to recognize the incredible impact our classified staff have on our students, schools, and community.

Whether they're keeping our schools running smoothly, ensuring safe and welcoming environments, maintaining clean and organized spaces, supporting technology needs, or providing vital assistance to students and staff, their work is the foundation of our schools. Simply put—we couldn't do this without them.

They embody our Leadership Definition by showing up every day possessing an unwavering commitment to students and to our shared vision: ALL are learning, and learning is for ALL.
