

Principal Little,

Please accept this letter as my formal notice of resignation from my position with the district, effective after the school year.

This decision was not an easy one to make. After much thought and consideration, my girlfriend, Sydney, and I have decided that it is time for us to relocate to the Quad Cities, where I have family located. As we have no family in the area currently, this move is what we believe is best for us at this point in our lives.

I am incredibly grateful for the opportunities, support, and experiences this district has provided me. I have learned a great deal from an outstanding mentor, Jeff Trinco, and I could not be more appreciative of the fifth-grade team. Each member brought valuable insight and strengths to our work, and the level of collaboration within this team is something I will always value. Through these experiences, I have grown significantly as an educator, particularly in learning how to engage learners at various levels.

While I am thankful to be leaving on a positive note, that only makes saying goodbye more difficult. I truly appreciate all that the district, administrators, colleagues, and staff have done for me during my time here. I am grateful to have worked in a district with such committed and passionate educators.

Thank you again for the opportunity to be part of this district. I will carry these experiences with me as I take the next steps in my career.

Sincerely,
Dylan Schueneman
5th Grade Teacher
