

HISD Transportation

The 24-25 school year has come to an end. We are in the middle of summer school at this time. We are transporting approximately 350 students to and from school. We are using 7 buses and 1 van. Our fuelers and cleaners are going over each bus doing a thorough cleaning and fixing any seats that need repair. The guys in the shop are going over each bus bumper to bumper to make sure that they are in tip top condition. In the office we are working on summer reports and starting to prepare for next year. We have had several retire this year and we are working to consolidate routes and hire and train new drivers. We appreciate your time and support.

Thanks,
Roy
