Regular Board Meeting

February 18, 2025

AGENDA SECTION: Action Agenda

SUBJECT: Purchase of Security Camera System Upgrades and Replacements

BOARD POLICY: CCA (Legal)

STRATEGIC GOAL(S): Priority 4: Fiscal Stewardship & Operational Excellence

FISCAL NOTE: Bond Funds

PREPARED/PRESENTED BY: Dr. Brian Brown, Chief Technology Officer

Background Information

As part of the 2023 Bond Proposition A, the district has allocated funds to enhance school safety and security through technology upgrades, including security cameras. To ensure these updates align with district needs, a local certified partner was engaged to evaluate the existing systems.

Under The Interlocal Purchasing System (TIPS) purchasing contract 230105, the district plans to replace or add new network video recorders and upgrade failed or failing security cameras across multiple sites. The total investment for these improvements is \$1,255,480.11, with DataVox, Inc. selected as the vendor for implementation.

These upgrades aim to enhance campus security, improve surveillance capabilities, and ensure a safer environment for students and staff.

Recommendation

It is recommended that the Board approve as presented the purchase of security camera system upgrades in an amount of \$1,255,480.11.
